Zoho CRM Optimization

- Enhanced utilization of Zoho CRM (Zoho Workdrive, Zoho People and Payroll Integration)
- Automated routine processes and improved data management
- Removed snags from earlier Data Migration
- Transitioned HR documents from system storage to cloud repository (Centralized access to policies, records, and employee data, Improved document management and retrieval)

Organizational Impact:

- ✓ **Increased operational efficiency and reduced manual effort**
- ✓ **Improved tracking of employee lifecycle and performance**

Employee Engagement Initiatives

- Created a structured Employee Engagement Calendar
- Focused on employee well-being and workplace culture (Introduced enhanced **Mediclaime cover, Bespoke Health Check** up initiatives at Discounted pricing, Extended Weekends for **Work-Life balance**)

Organizational Impact:

- ✓ **Increase in employee satisfaction and morale**
- ✓ **Improved retention and reduced attrition**
- ✓ **Stronger organizational culture and collaboration**

Future Initiatives :

- Improving the **Employer Value Proposition / Employer Branding initiative** (For enhanced market visibility, attracting better talent and work towards being an “Employer of Choice”)
- Further enhancements in **Zoho CRM modules** : Zoho Recruit, Zoho PMS (automating and integrating KRAs - KPIs / Goals – Quarterly and Annual Performance Assessments)
- Creating a High Performance and High Rewards Culture
- Further Improving **Internal Communication and Employee Rewards** (Internal newsletter, Employee Recognition, planned Team Bonding /offsite events)
- Inculcating a **culture of Learning and Development** to enable Organic Growth – Structured Training platform for new joiners, existing staff, refresher trainings, training evaluations)

Thank you !
